Team A	17
Team B	20

Directions:

For each question, put a (✓) for a correct answer under the team heading or put an (X) if incorrect. If Team A answers the question incorrectly, Team B gets a chance to earn the (✓) and vice versa. First question is for Team A, second for Team B, third for Team A and so forth. Team A determined by winning coin toss. After 40 questions have been asked, add up total (✓) for each team and note score above.
